Ties that bind

When you're a woman, you know your clothes are your best friend. They're the ones that help you feel confident and comfortable. They're the ones that help you stand out from the crowd. They're the ones that help you feel like you're in control. They're the ones that help you feel like you're the boss. They're the ones that help you feel like you're the one in charge. They're the ones that help you feel like you're the one who's got this.
